

15th October, 2021

VOLUME 38, No 7

SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world.”

A Journey Through Music

Year 11 student, Amelia, tells us about a recent trip for music GCSE students: “On Tuesday, 5th October, the Year 11 GCSE music group went to a concert at the Bridgewater Hall featuring the Hallé Orchestra. The concert began in the Renaissance era (Giovanni Gabrieli - Sonata no. XIII) and brought us all the way back to the modern times (Hans Zimmer - Pirates of the Caribbean). For me, the most interesting piece was by Terry Riley called ‘in C’ - which was different compared to others composed at the time. The structure of this piece is written so that the musicians can play when they want and how they like. The overall concert felt like it was perfectly tailored to those studying GCSE music – it was engaging and informative, as well as entertaining.”

Classroom Refurbishment

As part of our 'North End Extension' project, a number of classrooms towards the end of the new extension have undergone a refurbishment over the past few months - a food technology room, plus a science and maths classroom. We're pleased to say the work is now complete, and the rooms are looking smarter than ever!

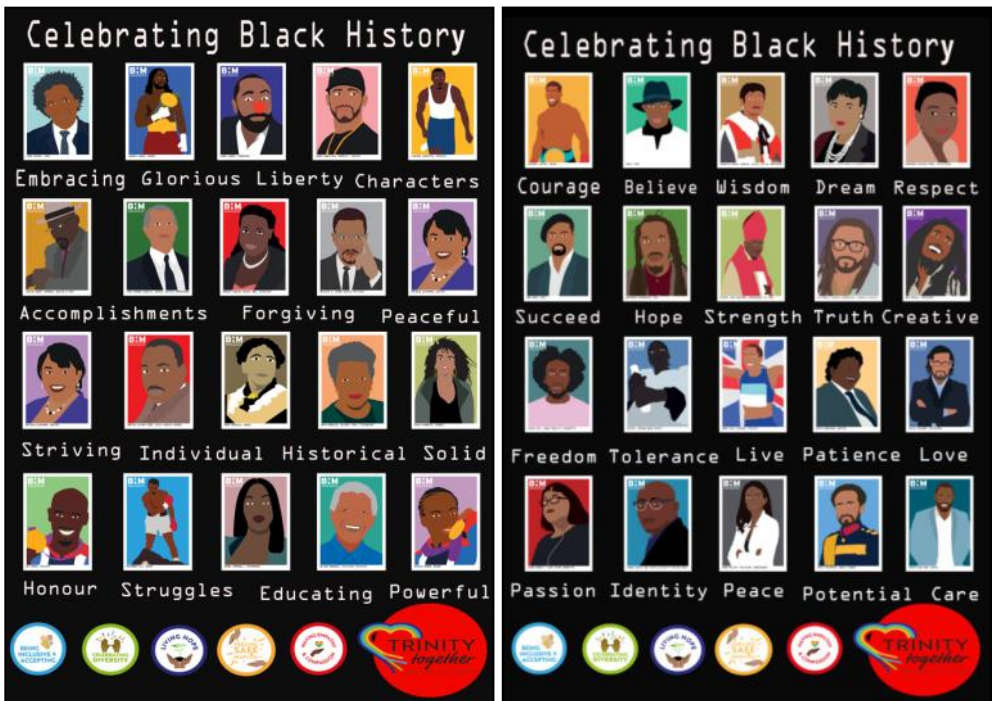

Black History Month

Last week, our Year 10 students learnt about black people in Nazi Germany as part of Black History Month and their current studies. This included learning about the stories of Hilarius Gilges and Theodor Wonja Michael. Whilst in Year 7 Humanities lessons, students looked at "Roman Britain: the Ivory Bangle Lady / Our Migration Story".

A range of new posters have also been framed around school as part of us celebrating Black History Month:

Harvest Collection

Our Harvest Collection is coming along very nicely indeed thanks to the kind and generous donations from our school community.

The deadline for items was today, and we will then be sending the donations to this year's very worthy cause - the Manchester South Central Foodbank.

724 School Bus

If your child comes to school via the 724 school bus, please note that from Thursday, 14th October it will be arriving at the normal bus stops 15 minutes earlier than it does now. There is no change to the 724 bus at the end of the school day. This is a change that has made by the bus company and we have been advised that it is hoped this will be a temporary measure, with normal times reverting in the near future. This message has also been communicated via form tutors and texts home to parents.

And Finally...

...there is still time to register to join us after school on Tuesday, 19th October, 2021 in the school's Drama Studio for a 'Cultural Celebration of Black Diversity'.
