## SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world.”

## Fire Drill

Last Friday, a whole school evacuation took place as part of an organised fire drill. Students left their classes in a calm and orderly way, and assembled in the designated fire duty points. Our thanks go to all students for their mature and sensible attitude towards this important safety event.

## Black History Month

Black history was studied and celebrated through the medium of drama in KS3 lessons last week. The work this half term has centred on Malorie Blackman's 'Noughts and Crosses'

## Colourful Ukuleles

There were new additions to our music department this week - colourful ukuleles - including our Trinity colours! We're delighted to report that we have over 320 students currently learning an instrument in school - a Trinity record!

## Athletics Competition

Congratulations to our Year 10 and 11 athletics team who recently competed in the Manchester Schools' PE indoor athletics team. Congratulations to all those who took part - Nii, Darren, Isobel and Victoria can be seen below with their medals.

## One World Eucharist

Our thanks go to Revd Grace Thomas, who is also one of our school governors, for leading our One World Eucharist last week. During the service, we were given messages which helped us to think about peoples' experiences across our world and the challenge to share our resources and care for others.

## Covid-19 Vaccinations

Last Wednesday and Thursday, the schools' immunisations team turned our sports centre into a pop-up vaccination clinic and students aged 12-15 with parental consent, received a dose of the Pfizer-BioNTech Covid-19 vaccine.

## And Finally...

...after 36 working school days, it's half term already! We hope everyone has an enjoyable and restful break and we look forward to welcoming students back to school on Monday, 1st November, 2021.
