VOLUME 38, No 18

SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world.”

Year 11 Mock Interviews

Last week, our Year 11 students were given the valuable opportunity of having a ‘mock interview’ with a representative from a local business, multinational company or training provider. We were delighted to welcome a range of representatives, from companies such as Royal Bank of Scotland, RAF, Marpol Security, AECOM, Buttress Architects, University of Manchester, Specsavers, Footlights Theatre and Network Rail.

For many of our students, this will have been their first interview and it gave them valuable experience as they prepare for university and employment in the future. Our visitors commented on just how ambitious and hard working our Year 11s are!

Eucharist

Our Epiphany Eucharist took place last week, and we were delighted to welcome Revd Jo Jarrett from St Hilda's, Firwood, to lead the service.

Manchester City Debut

Congratulations to ex-student, Khiara Keating who made her debut for Manchester City's women's first team last week. Not only was this her debut, but she also kept a clean sheet, as Manchester City beat Leicester City an impressive 5 - 0. The team are now through to the quarter finals of the Continental Cup and we wish Khiara and her team mates the best of luck!

North End Extension

Our extension to the Temple Building has really started to take shape, with the steel framework going up just before the Christmas break. All of the 'groundwork' is now complete, and we are looking forward to giving you more updates over the next few months. The building will be fully complete ready for the next academic year.

Wood Street Mission

We received a lovely certificate from the Wood Street Mission earlier this week, as a thank you for supporting their Christmas Appeal, as previously reported in our school newsletter.

School of Rock

Ahead of our school production of School of Rock, in March 2022, the cast went to see the musical in action for themselves at the Palace Theatre in Manchester last week. We're very excited to share what our talented cast and crew have been working exceptionally hard on over the past few months, so make sure you save the dates for what will be four incredible performances - **8th, 9th, 10th and 11th March, 2022.**

And Finally...

...please remember that it is a staff INSET day on Monday, 24th January, 2022, and the school will be closed to students. The school will resume as normal on Tuesday, 25th January, 2022.

Mr Julian Nicholls
