

25th March, 2022

VOLUME 38, No 26

## SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world.”

## Cultural Day

On Thursday, 17th March, 2022, we held our first Trinity Cultural Day, which enabled us to celebrate the diverse range of cultures at Trinity. Led by Ms Ripley, all students watched a video assembly in form time, with students and staff explaining the various traditions and customs surrounding their culture.

Following the assembly, form groups had the opportunity to have positive discussions about the different cultures in their forms. Some of our Year 11 and 12 students, pictured above, featured in the video assembly and visited a number of different Year 7 classes for question and answer sessions. Our thanks go to Ms Ripley and all students involved in helping us to celebrate the many cultures at Trinity.

## **Black Lawyers Programme**

From Teacher of Social Sciences, Ms Baller: "Our Year 10 Black Lawyers Programme attended the Anthony Walker Foundation Law Scholarship Scheme Event at the Lowry last week, hosted by the CPS. The foundation was set up in the memory of Anthony Walker and works to tackle racism, hate crime and discrimination by providing educational opportunities, bursaries and apprenticeship programmes aimed at ensuring the CPS is representative of the community it serves. The students listened to numerous talks throughout the day, inspiring the students about different careers within the CPS, including one from Nathan Miebai who is a part of the National Black Crown Prosecutors Association and was one of the first recipients of the Anthony Walker Foundation Scholarship. The students took part in Q&A sessions with professionals from the CPS and they discussed their experiences and what they had learnt from the day to the entire event. Our group were highly praised as an outstanding group of young people by those running the event."

## **SEND Information**

Our SEND Families can use the below links to access advice and details about a wide range of issues:

## Aspiring Medics

From our Sixth Form Academic Mentor, Ms Hall:

“Our Year 12 aspiring medics group attended a Surgical Skills Day organised by the Royal College of Surgeons of England at Manchester University last week. Our students gained an insight into what it takes to become a surgeon, as well as taking part in practical sessions such as a suturing and knot tying workshop, and a campus tour. They heard from esteemed consultant surgeons and had the chance to ask current medical students for any tips and advice for their medical school applications - a process that will start in the summer term.”

## Sporting Update

Mr Bryan tells us all the latest news from the PE department:

“It’s been another busy week of sports fixtures in the PE department.

- In the North West Handball event, our boys won the Under 13s competition (pictured right) and the girls finished 4th. A great achievement from both teams! The boys will now go on to the North competition.

- In girls’ football, our Excel team won the silver plate at the league play offs with some fantastic matches.

- Also in football, our Year 7 girls beat Chorlton South 5 - 2 and our Year 10 girls beat William Hulme 4 - 0 and are both into the semi-finals of the Manchester Cup.

- Our Under 15 students also took part in the dodgeball competition. It was an excellent performance by both teams, with the girls winning bronze medals and the boys finishing 4<sup>th</sup>.”

## And finally...

...an update on our North End Extension! Work above the ground has been proceeding rapidly so far in 2022 and we look forward to seeing the extension complete in May, 2022.

Mr Julian Nicholls  
Head
