SCHOOL AIM

“To provide a Christian environment in which young people are safe, secure, cared for and happy, and are able to develop into articulate, confident and well-qualified citizens of the world.”

Careers Fair

Last Friday we hosted our whole school careers fair. Every student in school that day had the opportunity to engage with a range of employers, further and higher education establishments and apprenticeship providers. There was a wonderful atmosphere throughout the day and the visitors in attendance spoke very highly of the interest and quality of questions from our students. Mr Cann is always looking to build his network of employers to engage with students and hopes some parents might be interested in supporting future careers fairs, especially if in the NHS or creative sectors. Please do contact Mr Cann at school if you'd be happy to support.

Ski Trip to Passo Tonale, Italy

During the first week of the Easter holidays, 18 students were fortunate to be able to fly to Italy to either learn or develop their skiing technique in the Italian Alps. The group were blessed with wonderful conditions - the resort had over 40cm of snow in the two days prior to arrival and the blue skies through the week made the conditions 'perfect'.

During the day, students were in their ski groups for five hours - each with a specific ski instructor who moved them from green runs through to blues, reds and even onto 'black' runs - the most challenging of all slopes.

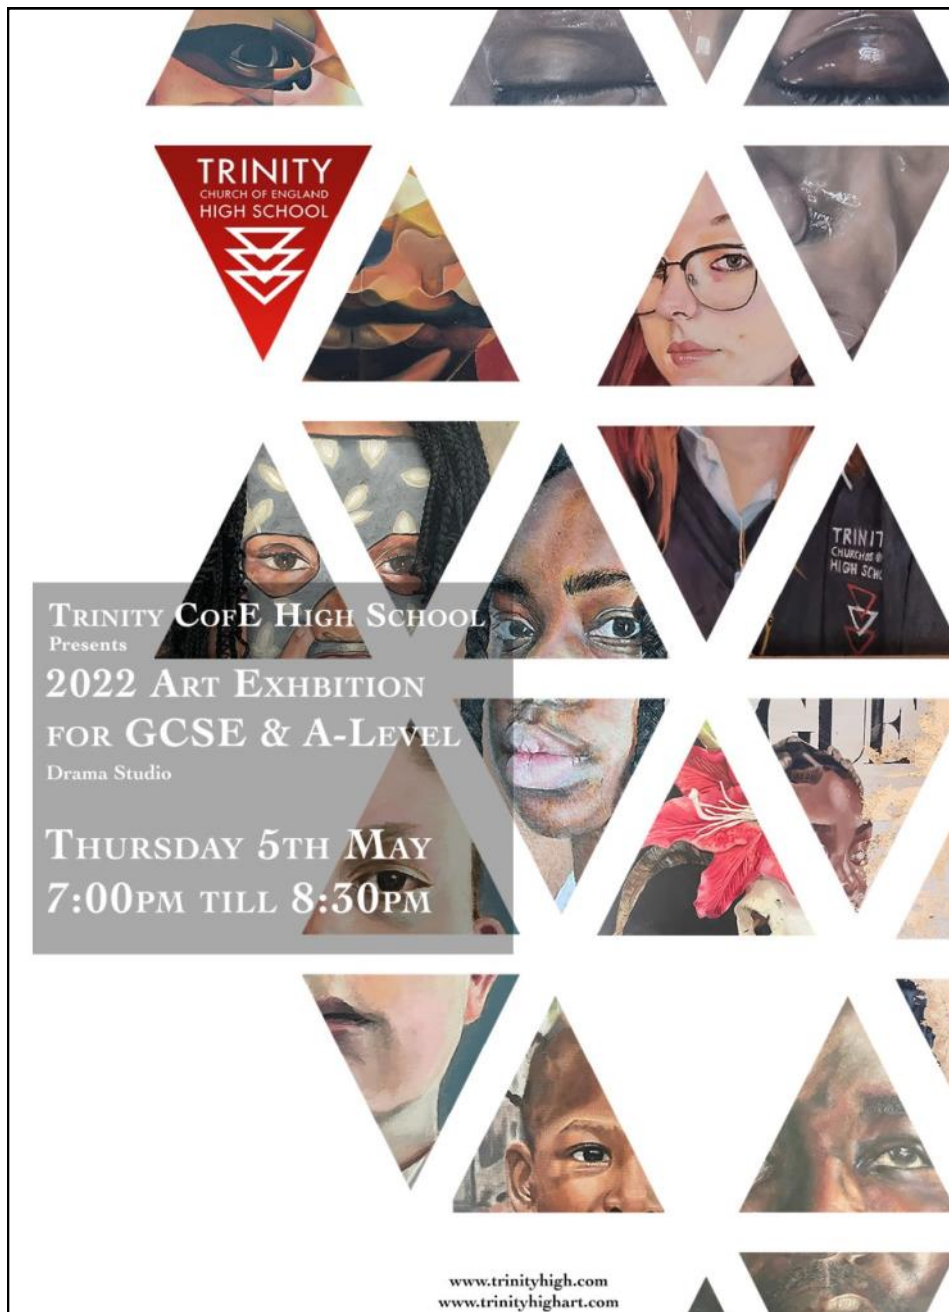

The students had an amazing experience - my thanks go to Mr Naylor (Facilities Manager) and Ms Barrett (Head of PE) for running the trip.

Watch out for the advert for next years trip soon!

Debate Mate

Teacher of English, Ms Haddad tells us more: “On Wednesday 20th April the Debate Mate team took part in the Debate Mate Cup, the very first in-person competition since the beginning of COVID in 2020! It was an exciting day for our pupils who have been preparing for the competition since before Easter. Well done to the following pupils for their hard work, resilience, and determination during the competition: Jemima, Ben, Gabriella, Zakaria and Divine.”

And finally...

...we would like to inform parents that a parent governor vacancy has arisen, to be filled as soon as possible.

There are three parent governors on the Trinity Governing Body. Parent governors serve a four year term of office and must be parents of a child currently attending Trinity on the date of appointment.

Parent governors are important in that they contribute a parental ‘voice’ to the work of the Governing Body. No prior experience is necessary - just a commitment to support the ethos and work of the School.

The main time commitment is to attend five Governing Body meetings each year (held at 5pm in school) and occasional afternoon governors’ committee meetings.

If you would like to be considered or would like to have an informal conversation with me, please contact the school’s Clerk to the Governors, Amy Lawless, by e-mail, lawless_a@trinityhigh.com by 12.00pm on Friday, 20th May, 2022, at the latest.

If there is more than one nomination, then an election will take place.

Governors play a very important role in the life of the School and we look forward to hearing from parents.
