HEAD: Julian R. Nicholls B.Sc, M.A

May 2026

Dear Parent/Guardian,

This letter is to inform you of the upcoming exams taking place for Year 12 students. The Progression and Prediction Exams (PPEs) will be taking place the week of the **15th June 2026**. Students will be on study leave for this week, meaning they only have to be in school when they have an exam. The school facilities will still be open should any students wish to study in school, however, please be aware that the canteen will not be open during this week.

These are very important exams as the results will be used to determine if Year 12 students are on suitable courses for them to progress into Year 13. As well as this, the results will determine the predicted grades that students will be given for their UCAS applications in the Autumn Term 2026.

The timetable for exams can be found on the reverse of this letter. Morning exams will start at 9am, so all students must **arrive by 8:30am**. For the afternoon exams, students must **arrive by 12:30pm** for a prompt 1pm start. All exams will run for 2 hours (2.5 hours for those with extra time). Please ensure that students arrive to their exams on time and well-prepared.

All students should be preparing for these exams already as there are only 3 school weeks left before the start of the PPEs.

If you have any questions about the exams, please get in touch by emailing sixthform@trinityhigh.com or you can call 0161 212 1930.

Kind regards,

A handwritten signature in black ink, appearing to read "O Tattum", is written over a light blue horizontal line.

Ms O Tattum
Director of Sixth Form
