Dear Parent/Carer,

Re: **Higher Education and Activities Week 6th to 10th July 2026**

I am writing to inform you that week commencing 6th July 2026 is Higher Education and Activities week which is a compulsory part of the Sixth Form calendar. This week is a chance for students to consider their post 18 options, as well as broadening their horizons on visits outside of the Trinity Sixth Form campus.

As the students are over 16 we have assumed parental consent for these trips, but please contact us via our Student Services Administrator Ms Noxon noxon_r@trinityhigh.com if you have further questions about this.

If your son/daughter is taking part in the Biology Field Trip, they will not be involved in the below activities, as it is the same week they are away.

Mon 6th July

Liverpool University. Students to meet in school at **8am**. The coach is leaving to go to the university at 8:30am so students need to be on time. We will spend the day doing different activities at the university and we will be leaving Liverpool to come back to school at 2pm so we should be back at around **3pm**. Students need to wear clothes and shoes appropriate for the weather. Students in receipt of free school meals will receive a packed lunch and other students can either bring a lunch or money to purchase one at the university.

Tues 7th July

Bradford University. Students to meet in school at **8am**. The coach is leaving to go to the university at 8:30am so students need to be on time. We will spend the day doing different activities at the university and we will be leaving Bradford to come back to school at 2pm so we should be back at around **3pm**.
